

**CITY OF TYBEE ISLAND
MASTER PLAN**

Stakeholder Meeting
May 16, 2007
6:30 PM – 8:30 PM

MEETING SUMMARY

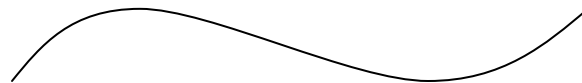

I. Introduction to the Master Plan Update

- i. General presentation on the planning process. The presentation included the new DCA planning requirements, current status of the Master Plan, and the public participation techniques.

II. Vision for Tybee Island

The City of Tybee Island will be conscientious stewards of our unique historic and cultural heritage, environmental resources, and diverse economic community, while ensuring that our growth does not exceed the island's carrying capacity.

We will support a healthy year-round economy and business community that serves the needs of residents and visitors. We will provide increased recreational opportunities for all age groups to promote Tybee Island as a four-season vacation destination while enhancing the quality of our distinctive island life and atmosphere.
