EMH/TYBEE/ORDINANCES/2010/19-2010/Pay and Display definition 07.01.10

Sec. ~~06-136~~. Definitions.

The following words, terms and phrases, when used in this division, shall have the meanings ascribed to them in this section, except where the context clearly indicates a different meaning:

Parking means the standing of a vehicle in a city-owned parking lot or upon a street whether that vehicle is occupied or not and whether that vehicle be accompanied or not by an operator for a period of time in excess of two minutes.

Parking meter and *mechanical parking time indicator* mean a device which shall indicate thereon the length of time during which a vehicle may be parked in a particular place which shall have as a part thereof a receptacle or chamber for receiving and storing coins of United States money, a slot or place in which the coin may be deposited; a timing mechanism to indicate the passage of the interval of time during which parking is permissible and which shall also display an appropriate signal when the aforesaid interval of time shall have elapsed; also brief instructions as to its operation.

Parking space, individual means a portion of the street or street right-of-way of sufficient length and depth to accommodate a vehicle to be parked, as shall be specified by the city. Also a space for parking in a city parking lot or other area designated for vehicular parking.

Vehicle means any device in, upon or by which any person or property is or may be transported upon a public highway, except those as are used exclusively by human power.

Pay and Display Meter means a device which will provide parking authorization by means of a receipt to be placed upon the dash of the vehicle for which parking time is permissible and authorized.
