RE: WATERSHED PROTECTION PLAN

Dear Ms. Schleicher:

Hussey, Gay, Bell & DeYoung is pleased to present this proposal for preparing the City's Watershed Protection Plan as required by EPD. The Watershed Protection Plan has four (4) parts: (a) summarizing the data obtained from the Watershed Assessment, (b) determining a long term water quality monitoring plan, (c) reviewing the City's existing Best Management Practices, and (d) possibly establishing new Best Management Practices to ensure that water quality is not degraded within the City service area. We have attached EPD's Guidance Document to further define the requirements of the plan.

The City's Watershed Assessment has now been approved by EPD. The City's deadline for submitting the Watershed Protection Plan has been revised to December 15, 2011. EPD has requested that the City proceed with the preparation and submittal of the Plan.

Our fees for preparing this plan will be on an hourly basis in accordance with the attached Hourly Rate Schedule and will not exceed \$18,765 without prior approval by the City. Please note that the fee noted above includes a 10% discount in fees as previously offered by HGBD.

Thank you for the opportunity to present this proposal. We would be glad to use a signed copy of our Notice to Proceed.

Sincerely,

WILLIAM H. LOVETT  
President
