

ANNOUNCING THE EASIEST WAY TO PAY YOUR BILL

Our new online bill pay option saves you time and gives you more flexibility in how you pay your bill.

If you have an Internet connection and an email address, you can now pay your bill online. You are also able to “opt in” to paperless billing and receive an email notification when your bill is ready to view. It’s fast, it’s easy, and you no longer have to write a check each month or find a stamp when it’s time to send in your payment.

HOW IT WORKS

We have partnered with Xpress Bill Pay, the premier provider for online bill payment.

When you sign up for online bill payment you’ll create a secure password that you use to access your personal account at www.xpressbillpay.com. Every month we’ll send you a reminder email to let you know when your bill is online.

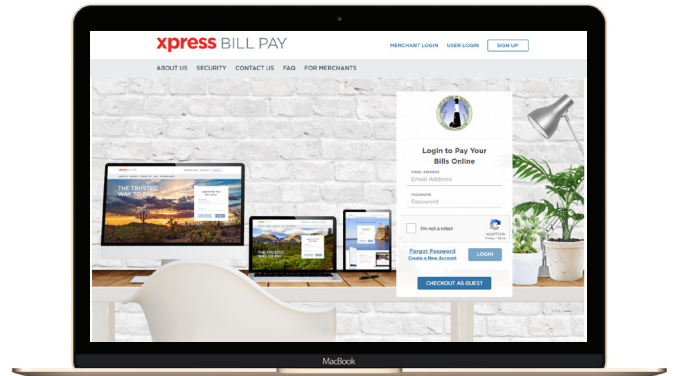

Then, just log in through your Web browser and view your bill. Select a payment type — credit card, debit card, or electronic funds transfer — enter the information, and you’re done!

It’s that easy, and it only takes you a few minutes each month.

We’re offering this service at the request of customers like you. Sign up today and see why so many people consider this the best way to pay their bills.
