THE GIRL FROM PLAINVILLE

October 7, 2021

Dear Tybee Island Residents & Businesses,

Our production, the NBC Universal series, *The Girl from Plainville*, is filming in the greater Savannah area, including Tybee, through December 2021.

We will be filming on Tybrisa Street, Strand Avenue, the Pier, and Tybee Beach between the 15 ½ street crosswalk and the Tybrisa crosswalk on Tuesday, October 12 and Wednesday, October 13. For the afternoon both of those days, we would close Tybrisa Street from the corner of Tybrisa and Butler Ave to the corner of Tybrisa and Strand Ave. We would also close Strand Ave from the corner of Tybrisa and Strand to Strand and 17th Street. Silver Avenue and Izlar Avenue would be closed to the general public but accessible to all residents, businesses and short-term vacation renters (entering from Butler Ave). Beach Access will continue to be available from 17th Street southward, including the 17th Street crosswalk.

“The Girl from Plainville” tells the true story of Michelle Carter from Plainville, Massachusetts who was accused of persuading her boyfriend to commit suicide through text messaging and was sentenced to prison.

We realize that we are guests in your community and your cooperation and understanding is greatly appreciated. Thank you in advance. If you have any questions, please do not hesitate to contact me. We are working closely with the Savannah Regional Film Office (912-447-4159) and the City of Tybee (912-472-5045). We thank you in advance for having us.

Sincerely,
